ROSÉ WINES

Bohem Rosé (Bodegas Latue Bohem) 2023

13% // Tempranillo // La Mancha, Spain
M £5.2 // L £7.4 // Bottle £22.2

From the hillside vineyards of Bodegas Latúe. It is a typically deeply coloured Spanish rosé, so unlike the in-vogue Provence pale style, but that's a good thing with just too many look-alikes flooding the shelves. This has an inviting strawberries and cream nose, a little touch of cappuccino adding to the appeal. In the mouth is it perhaps just flirting with off-dry? But a sweep of that pulpy strawberry fruit, good acidity and a bit of Tempranillo spice gives a savoury finish.

Rosé Fruité (Château de Rousset) 2023

12.5% // Grenache, Syrah, Vermentino // Chateau de Rousset, France
Bottle £30

With its delicate salmon pink colour, this thrilling rosé surely has one foot firmly in the Provence camp. Grenache, Syrah and Vermentino predominate, providing a delicate, elegant wine with a soft, smooth mouthfeel. The red berried flavours come through and are carried on fresh and crisp balancing acidity. A rosé with flair and finesse, that will please all that try it.

ORANGE WINES

Arrogant Frog (Paul Mas) 2023

13% // Grenache Blanc, Grenache Gris, Macabeu // Languedoc-Roussillon, France
M £6.3 // L £9 // Bottle £27

A new orange wine from Domaines Paul Mas that gets its special colour from extended skin contact with the white grapes Grenache Blanc, Grenache Gris and Macabeu. Fruit-driven and unique in style with fresh citrus and spice aromas as well as approachable tannins. This is a delicious textural wine that's a great match with a wide variety of bold flavoured dishes.

Rare Orange (Chateau Maris) 2022

13.5% // Muscat // Languedoc-Roussillon, France
Bottle £34.8

The Muscat grapes are treated to a prolonged skin contact and fermented at red wine temperatures, this gives the wine a deeper colour, more flavour, and a very slight tannic sensation. A very fresh orange wine with bright notes of summer fruits including white peach, apricot and candied fruit flavours. Dry with a little presence of tannin on the finish.
